To preserve the collegial and interdisciplinary nature of the SAH 78th Annual International Conference, Session Chairs and Speakers chosen to chair a session or present at the conference will commit to their participation upon notice that their session or paper has been accepted.

Beginning August 14, 2024 Session Chair and Speaker registration opens for the conference and payment of the basic registration fee, along with establishing or extending membership in SAH , as confirmation and through at least , must be completed by commitment of your participation. When Early Registration opens on January 7, 2025, Speakers and Session Chairs may add receptions and additional activities that require advanced registration and/or payment. You will receive instructions on how to add these additional activities.

If registration has not occurred and registration fees that may include the membership fee to be current for the 2025 conference year have not been paid by September 30, 2024, the Session Chair or Conference Chair will then contact an alternate speaker to fill your unconfirmed slot.
