

SAH IDEAS Committee Values & Mission Statements

Vision Statement

The Society of Architectural Historians (SAH) has tasked the SAH IDEAS (Inclusion, Diversity, Equity, Accountability, Sustainability) Committee with envisioning structural change within the Society as it approaches its centenary. The vision of the SAH IDEAS Committee is to shape, support, and inform the Society's interrogation of structures of power and help the Society maintain a strong commitment to sociopolitical equity and environmental justice. The IDEAS Committee supports and advises SAH in repairing past harms and redressing foundational structural inequities in order to take into account past injustices,
